

CBG 'n Me

-Hand Printed Lilies-

Materials Needed:

- Colorful Paper
- Pipe cleaners
- Pencil/Pen
- Tape
- Scissors

Instructions:

- Trace an outline of your hand on to paper and carefully cut it out.

- Curl the handprint into a cone.
- Leave a small hole at the tip of the cone that a pipe cleaner will fit through
- Use clear tape to hold everything together

- Take a pen or pencil to curl each one of the fingers of the paper handprint

- Put the pipe cleaner through the hole and pull it through the middle of the flower.

- Make several flowers and for a small bouquet!
